Aha. So you DID speak with her--about SOME of what she has written.

She is currently writing that YOU BOTH are expressing (the lies) what she is falsely-claiming to me. I have REBUTTED HER LIES with the FACTS, including posting one of my emails in full. Cassandra has ALSO POSTED THE FACTS.

She ignores all my rebuttals, does not make reference to them, and just keeps on going like a maniac. She repeats her lies, each time writing a long epic, then a bunch of other notes, then tweets, then gossips with others on Twitter sharing these lies--which they then take as fact.

This is pure slander and defamation, Millicent.

It is not "mudslinging" -- it is a matter of lies versus truth. And yes, I hear you re "psy op" but do not agree. I think this is "Psy Warfare"--and Karen is singlehandedly running it.

Three of her primary lies:

!) That I said you both "owed me" for my (painstaking) journalistic coverage of you, to work on the Joint Statement. This is an outrageous lie, which I have rebutted in print. TRUTH? I do not even think in these terms, and have not ever said anything like this to anyone including both of you. You have both received the gift of my journalism, free and gratis. That is how journalism works. It is not public relations, which someone pays for. I see writing and journalism as vocation and calling, not merely profession. It was my honor to cover your stories, and I do not regret it.

She has used the term "quid pro quo" -- never heard of it till she did. I don't operate that way. If anyone hasn't noticed, nobody's paying me for my journalism yet. "Independent" means "independent."

I DID say we needed jointly to correct the lie Katherine was publishing (scapegoating me), and that we needed to have done this 1.5 years earlier, when Techno closed, that all 3 of us needed to have done that, we owed it to our TECHNO audience as a group to set the record straight.

2) That I was "abusive" on the email thread when we were writing the Joint Statement.

TRUTH? There is no proof of this whatsoever. I pulled up all the old emails, pointed out facts, fell over backwards to accommodate everyone's word changes, added in your paragraphs when you asked to include them, removed them when you asked to remove them, etc: that is not abusive, that is working together and being civil, cordial, and inclusive. Karen cannot prove this at all in any way--there is NO EVIDENCE of my being abusive or bullying on these emails (as she is currently being, publicly). There is ONE EMAIL of mine which Karen has published without my permission, where I questioned her previous statements and accusations in her previous email; she did not publish that previous email of hers, but decontextualized completely what I had said, and used it to cement a complete falsehood. I have written about this, and I will write some more, to show how sinister and snakelike she has become in her attacks on me, decontextualizing & distorting the facts--primarily to push her agenda--bizarre agenda I should add--of needing to paint me as a bully (laughable!) I also want to publish that previous email of hers: the one where she falsely suggested Katherine was "blindsided" by our excluding of her and had not known Techno had ended the night before, and said something to the effect that people were still emailing with Katherine after all the blow-up on the joint email thread; my response in my email (which she published) was to show Katherine was not blindsided, that she had indicated she knew Techno was dead, that Karen herself had exchanged further words with her to that effect, that I certainly was not further corresponding with Katherine, and that both of you had been, which I had not known about and which I questioned--in terms of what information had been exchanged (since she was suggesting Katherine did not know). This she has misread as me telling you not to email or speak to Katherine--absurd; no evidence of that whatsoever.

3) That I "frantically pushed it" when her mother was on her deathbed.

TRUTH: Ample evidence both and I and Cassandra wrote often, very compassionately, to KS that she should only address this when she had some time. Several weeks passed as we worked on it and even before we began. We neither pushed it nor did we not care, we cared about her and her mother both and did not want her to be stressed.

4) That I used "inflammatory language" and tried to push you and her into writing same in efforts to "attack" Katherine, while she and you were focused on Facts and Truth.

TRUTH: Utter rubbish. There was no inflammatory language that I used, I was completely focused on fact and truth myself, and was in no way "attacking" or asking anyone to "attack" Katherine--who has spent years attacking me; Cassandra has noted this in her witness thread too. Changing my usage of "slander" to Karen's suggestion of "misrepresentation" for instance is key evidence of my accommodating her suggestions and word changes even

though they were trivial--both words mean the same thing; and Katherine was indeed slandering me (as Karen is now doing). Note: I made ALL the word changes you both suggested. The email record shows this.

5) That I said she (and you, being clubbed in by her) "showed bad judgment and character for not helping persecute and attack Katherine for 1.5 years"

TRUTH: Utter rubbish and seriously defamatory. This is the huge false construct she has created and published to everyone. Katherine was the one who stepped off Techno and started to post attack videos against me, Melanie, Frederic -- which we spent forever rebutting; Karen refused, like Midge refused, and I think you too refused, to participate in the writing of a joint Cease and Desist to Katherine in Nov 2018; I stopped informing you both of Katherine's attacks on me after that. For Karen to say this is a huge blasphemous lie. I DID disagree with her in her stance to simply "walk away" and not say anything to Katherine when she was running attack operations on Twitter and Youtube and DID tell her in one email (possibly around the time of our writing the JS) that not to take a stance when someone was publishing lies and attacks would eventually reflect on one's character, but there is NO WAY I ever asked her or you to "help me attack and persecute" Katherine---I mean this is just MAJOR MAJOR evil on Karen's part to say these things. Does she have bad judgment? Yes, I certainly think so now. Does she have bad character? She has exhibited her bad character all over the world currently online with her nasty attacks on me, Barbara, Cassandra, Alex. Did I TELL her she had bad judgment and character? No I did not. But she lies like a faucet, and adds you in here as well.

6) That I said you had "betrayed" me in not "helping me persecute and attack Katherine for 1.5 years."

TRUTH: Utter rubbish again, same answer as above--never attacked Katherine, never asked anyone to help, certainly rebutted Katherine's attacks. The only time I used the word "betrayed" was to YOU, when you went on Katherine's show, AFTER the publication of the JS, AFTER she had made racist remarks about your nostrils-- an action of yours I could not and still do not understand. Katherine was pretty nasty to you but you went on her show anyway. You also went on after you had been on my shows, and after we published the JS, exposing Katherine's lies-- a clear act of weirdness on your part. As I said, I don't understand it.

In any case, it is a fact that you both have indeed betrayed me in not standing up publicly to Katherine's lies and attacks on me. Karen has proven herself an utter fool at this point, ignoring the reality and fact of Katherine's long attacks on me, inverting the facts and going

on and on with a public lie of my "persecuting and attacking and cyberstalking Katherine for 1.5 years."

Karen has attacked me for ONE FULL YEAR NOW. This is the woman who advised me to "walk away."

She is now completely inverting the truth about me and painting Katherine as my "victim" and clearly targeting me with her nonstop abuse, slander, and drivel.

It is clear to me what is going on is 1) an Intelligence operation and 2) pretty damn racist. Both Katherine and Karen have sought to destroy my public name, my image, and my work as a journalist: it is a testament to my character that they cannot actually destroy any of this, my true self and my work continue to speak for themselves--and the people who work with me can see it.

I hope this has helped you understand better the facts and truth here, Millicent. Cassandra, like Alex Crosbie and Barbara Hartwell has been unafraid to support the truth and the facts of what she has seen, witnessed, observed.

If you cannot support the truth and the facts here--and speak openly of this to set Karen straight or even tell me what you said to her that she has once again gone on and published lies and abuse, it will continue to look like you are supporting Karen's lies and bizarre false-narratives and attacks instead. Is this what you want? Are you part of Karen's Psy War too?

Karen forgets that Cassandra was on our joint email thread and read every email between us all -- she has the truth, Karen doesn't.

Well, have a good evening Millicent.

Speak later.

Hi Millicent

Very sorry to hear about XXXXXXXXXXXXXXXX Wish you the best in dealing with all.

Karen's is the lengthy narrative which no-one but her can read. My original email to you excerpted a few of her posts which explicitly brought you in.

I see by your response you do not wish to address this -- certainly saddening to see. Not a "divisive psy op" by the way, but deliberate attacks with smears and lies by Karen Stewart against me--currently dragging your name in as well. It is more than curious why you would maintain this stance on this subject and not simply address what I request--it is very simple really, all I asked was what did you say to her that she would write what she has--or did she make it all up without speaking to you at all?

Because she has written blatant lies which she cannot prove: that I was abusive in emails or sought to use incendiary language or asked you both to " help attack Katherine"--laughable, all of it. Can you not confirm that all this is untrue? I have all the group emails--now written a

whole year ago. It is pathetic, what Karen is doing. Outright lies -- which are seriously damaging. Cassandra has spoken out and pointed out that Karen has fabricated these statements, since she saw every single email. Why would you not say a word? Do you actually want her to maintain this public lie on me-and now involving you? Your silence is actually very strange.

I wish you well, Millicent.

Take good care of your health.

Hi Millicent,

Hope you had a good Thanksgiving.

You did not reply to this very important email below -- PLEASE READ! -- since I am trying to publish the truth of our interactions which Karen continues to publish lies about, including about you. I would much appreciate if you could kindly answer my question below, asking what you have said to Karen that she uses your name to smear and insult and lie about me publicly -- which needs to be exposed.

Three days ago I asked Kate Ryan what she had said to Karen to warrant Karen involving her in her attacks on me, and Kate very kindly replied, saying she had no idea what Karen was talking about: in other words, Karen is freely lying, using other people's names.

She is doing this with your name, and what I am asking you is nothing more than what I have asked Kate, and Sherri, who has also been named.

Some more of her lies is in another long and rambly post she posted at Facebook, pasted below this note--I look forward to hearing back from you,

Thanks very much,

Ramola

Hi Millicent

I hope you are having a tranquil Thanksgiving week.

Karen (who appears at this point to be certifiably insane) has once more published a boatload of lies about me and dragged your name into it again.

**I would like to ask you what you told Karen on this subject because she keeps repeating these lies and slanders:**

"But never, never, never address specifics, like the FACT Millicent and Karen BOTH claim Ramola told them **“you have bad character and bad judgement for NOT attacking and persecuting Dr. Horton with me”**, **“you owe me (because I covered your stories)”**, **“you betrayed me”**, **“you are bad Christians for not attacking her with me”** - something Barb knows nothing about, eh, being such a “good” Christian by Ramola’s twisted self-serving definition, that she gladly attacks people without getting her facts straight and just aping Ramola’s lead?) No problem with that False Witness thing in Ramola’s redefined Christianity, eh?"

"How much LOGIC does THAT make? Or is what I HAVE ALWAYS SAID, that Ramola’s insults, coercion, and attempts at false guiltting Millicent and me in the Fall of 2019 to add inflammatory language to the “Joint Statement” THE ONE AND ONLY CAUSE of our dispute? **MILLICENT AND I WERE THERE AND AGREE ABOUT WHAT RAMOLA WAS DOING TO US.** Alex Crosbie and Barbara Hartwell WERE NOT PRIVY TO THOSE EXCHANGES. So THEY brainlessly parrot Ramola’s rushed cover story she spoon feeds them. They brainlessly add 1 + 1 and think it equals 11. "

"I welcome all who choose to self-identify publicly with Ramola by repeating **her self-serving, cover-her-ass, illogical, nonsensical, vacuous lies and baseless, delusional false front lies to deny her own responsibility and culpability for her bullying, manipulating, coercion, attempted blackmail of me and Millicent Black in late 2019 that drove me away.** I will NOT stop speaking truth. Mob bullying is irrelevant to sway truth. I stood up to NSA, you think I will not stand up to harpies and halfwits?"

"Fascinating Ramola tasked Alex Crosbie on Twitter yet again to play the random person speaking out "in defense of Ramola" when **he was not on the email addressee list in which she insulted Millicent and me as having bad character, bad judgement to NOT have joined HER YEAR AND A HALF persecution of Dr. Horton with her. And in which she claimed we had therefore "betrayed her" and were "bad Christians". Sorry, but Millicent does not have amnesia** and Alex is a witness to nothing but what Ramola tells him to say."

Lies about us having no consideration for her sick mother: "while by the way, **my mother was thought to be on her DEATH BED (go ahead, ask for "proof") and Ramola insisting by her frantic, demanding actions, that her situation was far more important than either of those concerns"**

Can you clarify for me, Millicent, what you told Karen? Are you Both keen on lying?

What is this rubbish about "bad character, bad judgment, asking you to persecute Horton, bullying, manipulating, blackmailing" she is talking about? She is stating you agree with her and are reporting the same: kindly clarify what you said to her because it sure seems like she's been roiling in the mushroom patch lately with these repeat stories and lies, and also why you would say this.

Thanks,  
Ramola
