[#RetaliationForExercisingFreedomofSpeech](#)

Recording, [#ForTheRecord](#), that post my article yesterday on the CHD petition, plus the thread on the [@nytimes](#) article, helis have been flying directly over my head all day, eve, and this morn. Who is it I wonder. 1/

That's not the whole of it of course. Microwave pulse shots to the head, PEPs, vibrating the bed, tiny electroshocks, bone-conductance hits to knees, heat-hits to spine--for hours-- have attended my waking-up this morn. From: neighbor-houses, parked cars, drones/sats. 2/

Most people would be shocked to hear this. Others, terrified.

But this is the reality of barbaric DEWs/exotic tech permitted for use on the streets of Mass by [@CityofQuincy](#) [@MassGov](#) [@MassGovernor](#).

Writing to these parties to knock it off has not yielded result. 3/

They have helped build "Electronic Concentration Camps" in the cities of Massachusetts using funds from [@DHSgov](#) [@DeptofDefense](#) [@TheJusticeDept](#).

Just as every other city in US has, making a secret pact to use military weapons on Americans inside America--a MOU exposed in 2018: 4/

They've forgotten however there is NO EXCUSE for Torture, Physical Abuse, and Trauma-Infliction.

Does [#FBI](#) [#CIA](#) [#DOJ](#) [#DOD](#) [#DHS](#) [#NSA](#) believe they are above the law?

They certainly act like it. Violating human rights, abusing all human rights protections is LAWLESS behavior. 5/

Threat, intimidation, force, aggression--and repeated, continuous actions of same--is Terrorism.

Smear campaigns in neighborhoods to mislead all that a horrific criminal lurks in their midst necessitating helis all day, 24/7 zoomers on streets, loud NOISE harassment is Crime.6/

This notion of RETALIATION on AI too, for daring to speak, to write, to publish fact or opinion, is UNLAWFUL.

No agency of USGOV or MASSGOV or QUINCYGOV has the right to physically assault & batter anyone in America with stealth weapons.

A system of ATROCITY has been built.7/

This system, which has built itself on FALSE COUNSEL from legal depts at [#DOJ](#) [#DOD](#) [#DHS](#) needs to be torn down.

It has self-permitted ATROCITY, CRIME, TERRORISM, ASSAULT & BATTERY, assuring itself using "Anti-personnel" DEWS to vibrate, pulse-shot, overheat, implant ppl is OK. 8/

Transparently too, this system RAMPS up the assault when someone "steps out of line" by daring to exercise God-given rights of FREEDOM OF SPEECH.

This needs to be exposed.

Uptil now, those reporting Stealth Weapon Assault have been dismissed as "Mental." 9/

That is no longer possible when SOURCES & METHODS of stealth assault by governments who have GONE OFF THE RAILS have been laid bare. In US--as in Worldwide Operations--use of these weapons & methods of silencing neighbors uses "SURVEILLANCE" as cover.10/

*We're going to hit you with weapons, then call you mentally ill*

The American people have also permitted this ATROCITY by freely agreeing to monitor & surveil their smeared neighbor, permit Fusion Center contractors to tear into the neighborhood, park in their drives to track and hit: And [@MassAGO](#) is aware of this, she has permitted it. 11/

DOD and DOJ agree to the provisions of this MOU as indicated by the signatures of their duly appointed authorized representatives.

**I. General**  
A. This Memorandum of Understanding (MOU) sets forth an agreement between the Department of Defense (DOD) and Department of Justice (DOJ) to conduct a program to enhance EO/Operations Other Than War (EO/OTW) and EO/OTW and other Law Enforcement (LE) operations through a sharing and joint development, to the extent permitted by law, of technology and systems applicable to both.

It is a well-known and prolifically documented fact that such **electro-magnetic weaponry** exists and has been operational for decades, used by the military and intelligence agencies (including but not limited to FBI, CIA, NSA, DIA)

To add, fusion center contractors--sub CIA MK ULTRA/DIA MK INSANE--are permitted to move in as tenants, owners of adjacent houses: 24/7 in-house employment using Wifi, RF/exotic neurotech on said smeared target--while [#MassPolice](#) [#FBI](#) fly the helis overhead. [#ORGANIZEDCRIME](#) 12/

Once again, [#CharlesBaker](#) [@MassGovernor](#), [#MayorThomasKoch](#) [@Koch4Quincy](#), [#MauraHealey](#) [@MassAGO](#), are asked to CEASE AND DESIST from this outrageous, unwarranted assault on my body.

This writer will NOT stop exposing crime, & will NOT stop exercising FREEDOM OF SPEECH. 13/13

[@threadreaderapp](#) Pl. unroll, thx.
