

THE ISSUE

Abstract: This paper presents an historical perspective on the profound corruption of law and society of the USA by J. Edgar Hoover and his offspring, the fbi.

The Issue

During the unstoppable rise to power of fbi, J.Edgar Hoover (JEH) and universal fascist indications, especially during the roaring 20s and the sorrowful Depression of the decade, from 1929-1939 (and continuing at the speed of light today), JEH was behind the curtain gathering and exercising brutal authority at the national, state and local levels.

JEH understood the meaning of fascism and nationalism by watching events in the 30s & 40s regarding threats by Nazis, Communism and attack on Pearl Harbor . He knew that power must be violently forged in international politics, war and in standards for domestic rule.

JEH exploited all such threats on USA to consolidate his grip on media and all of society.

In essence JEH was a 'Master of Deceit' who developed secret operations and technology to control his Targets. See my reports on psychological operations, gaslighting, and the use of chemical and biological attacks on selected individuals such as me.

The COINTELPRO also sprang up to further lay the foundation for destroying privacy; and the use of deep space based weaponry became the secret tool by which later fbi operations would torture, maim and kill adversaries.

JEH was born in 1895, became director of fbi in 1921 & 1924, and died in 1972. The overriding objectives during his life were to control the population and to foster extreme nationalism. After all, such goals also brought success to the most notorious human monsters of his time, Hitler, Mussolini et al.

JEH also created the fbi National Academy in 1935 where he and his followers would program all law enforcement officers in USA (and others around the world) in the brutal and often deadly art of control over the population. KILL was the key and was central to all training.

Other federal or national groups were also created so as to strengthen the power of JEH and his baby, the fbi. For example, Office of Coordinator of Information (an Intel & propaganda group) in 1941, OSS in 1942 (subsequently the cia).

JEH gathered other staunch allies who shared his views on power. In 1947 the cia was formed with similar values. NCIC was created in 1947 when JEH realized the need for a federal (or 'nationalistic') system for demonizing Radicals, political enemies and critics of the national government.

From 1953-1999 the U.S. Information Office gathered and shared war data with fbi and the intelligence community. Today, all Intel groups such as military, doj, cia, STATE DEPARTMENT, Congress, etc., follow fbi 's directives toward and for benefit of nationalistic control of the world (viz: NWO). See also my report on the *collapse of the constitutional government of USA and other documentations on fbi use of Directed Energy Weaponry against me and others globally.

A few men challenged JEH unrivalled rise to power: MARTIN LUTHER KING, JOHN F KENNEDY, et al. They were murdered.

GERAL W. SOSBEE, born Aug. 30, 1945, Carlhead, NM. Served in the US Army from September 1966 to September 1968. Received the Combat Infantry Badge, Vietnam Service Medal w/2 Bronze Service Stars, RVN Campaign Ribbon w/device/ RVN Gallantry Cross w/Palm Unit Citation and Rifleman Badge.

Entered FBI Duty April 12, 1971, with assignments in Tampa, FL; Lakeland, FL; Rock Island, IL; Chicago, IL; Monterey, CA; Albuquerque, NM; Alamogordo, NM; and New York, NY. Resigned as special agent Sept. 9, 1978. He received three personal Letters of Commendation from Director, FBI.

Earned BA and MA degrees from North Texas State University and JD from Texas Tech University. He is a licensed attorney, state of Texas, admitted to practice in the US Supreme Court, the US Court of Appeals-5th Circuit, the US Court of Appeals for the Federal Circuit and the US Court of Veterans Appeal.

I was born in 1945, served in US ARMY from 66-68 & fbi from 71-78. Soon after JEH appointed me as Special Agent, his cadre of 'True Believers' began psychological operations against me to discourage my continued service. Ultimately I was forced to quit, but fbi leaves no loose ends.

The machinery of fbi's torture, forced suicide, false imprisonment and assassination program were set in motion to silence me from reporting crimes by fbi.

My reports are 'online' as is my very existence <https://ttu.academia.edu/geralsosbee> .

Beware of the supreme US authorities who are the fbi and federal judges who program the population and threaten the world, for they are modern day fascists who use deadly MAFIA tactics and Directed Energy Weaponry to threaten, torture, maim & kill; such extreme measures are unprecedented in human affairs.

Thank you kindly .

Current attacks on me by fbi in retaliation include: sleep deprivation by DEW, chemical assaults, physical attacks by fbi operatives, thugs and serial killers, intense psychological operations and gaslighting.
