## The World Health Organization is a One World Government

---

**Did you know the World Health Organization is literally set up to operate as a one world government?**

Did you know that when the WHO declares a pandemic, the **laws of all the nations are nullified**, and the entire world is submitted to the so called 'constitution' of the WHO?

Did you know the WHO can at any time declare a pandemic, based on any **fraudulent diagnostic tool**?

Did you know the WHO declared the pandemic based on the severely flawed PCR test, which produces up to **94% of false positives?**

Did you know that all the nations of the world are bound to **unquestioning submission** to whatever guidelines the WHO issues?

Did you know the WHO is owned and controlled by **private individuals**, who are not democratically elected by anyone?

Did you know this makes the WHO effectively a private entity that rules the entire world, **outside of any form of democracy?**

Did you know the entire health system of our world is **owned by financial oligarchs**, who use it to dominate all of humanity?

These are some of the facts exposed by the top experts from the World Health Organization and United Nations in the **GRAND JURY EVIDENCE 1**. Their information is confirmed by experts from the British Navy, the US Marine Corps, the UK government, the CDC, British Intelligence Services, etc. What they reveal in the Grand Jury Evidence is so disturbing and alarming, that I will share three short summaries of this document in this email.

**Please read with full attention and share this far and wide. We need to warn humanity.**

*All the official documents and evidence that solidify these claims can be found in the Grand Jury Evidence 1, which [can be downloaded here](#).*

## **The City of London and world dominance**

---

The first two expert witnesses during session 2 of the Grand Jury are a former officer of the *British Intelligence Services* (partner agency to the *US National Security Agency*) and a Canadian investigative journalist with strong historical knowledge.

**They explain the long history of the aim for world dominance by the British elite.**

The British Empire still exists, and includes the United Kingdom, Canada, Australia, New Zealand, India, 19 African countries and the Caribbean, while their influential hand extends into virtually every other nation of the world.

The headquarters of the British elite are in the *City of London*, an area of one square mile in the heart of London. The City of London isn't governed by the British government, but on the contrary, reigns supreme over it. The City of London has its own courts and police and has never been challenged in its sovereignty and self-government. It rules over the Crown and most of the Earth.

They created democracy as an illusion to keep the people at peace, while the City of London calls the shots and pulls the strings.

This elite has made several attempts at so-called 'New World Orders', which have all failed. They almost succeeded in reining in the United States, but failed there as well.

Now they are using pandemics - and other orchestrated disasters which they have planned - to further their goal of world domination, using psychological techniques to get the world population to blindly obey their every command, under the guise of 'keeping everybody safe'.

**Simply stated: they create a crisis and then offer the solution, which always brings more of their tyranny.**

Mind control has for a long time been at the heart of their strategy. After three industrial revolutions, a fourth industrial revolution is now emerging that focuses on owning the minds of the people.

The deeper purpose of the vaccination programs is to edit the genome of humanity, and thus create a new trans-human race that will behave according to the desires of the oligarchs. Although this has always been the ultimate desire of tyrants in the past, only now does technology allow the genetic modification of humanity to become the perfect slaves.

# Psychological Manipulation

---

In the second session of day 2 of the Grand Jury, we listen to Brian Gerrish, a former *UK Royal Navy officer*, specialized in the tracking of submarines, who is currently an investigative journalist and senior editor of the UK Column. He is joined by one of their expert researchers, Debbie Evans, who was a government advisor at the *Department of Health for the UK*.

These experts also reveal how the National Health Service has been infiltrated by financial 'change agents', who shift the focus from patients to profit. This was also done using psychological manipulation, that transformed the mindset of the NHS employees.

The evidence shows how the entire health system worldwide has been strategically infiltrated and transformed, to become a carousel for financial oligarchs to further enrich themselves and gain complete power over the population, not only in the UK, but in nations around the world.

The concept of Mental Hygiene was developed, promoting the idea that only people who submit to the mindsets of the financial criminal elite are considered mentally healthy, while those who disagree must be silenced and, if possible, eradicated.

## The World Health Organization

---

The next two expert witnesses are Dr. Silvia Behrendt and Dr. Astrid Stuckelberger, who held leading positions in the *World Health Organization* and the *United Nations*. They reveal how the WHO has strategically infiltrated all the nations of the world with the purpose of abolishing democracy and imposing its own tyranny on all members of humanity.

**The WHO has its own 'constitution', a word carefully chosen with the purpose of replacing the constitutions of the nations.**

The Member States - which is literally every nation of the world - are bound to unquestioning obedience to whatever the WHO says, effectively making it a one world government, operating entirely outside of national constitutions and any kind of democracy.

All this is done under the guise of 'healthcare'. International Health Regulations (referred to as IHR) were invented in order to pave the way for this worldwide tyranny. All they need to submit the world to their fingertips of control, is a method to declare a 'public health emergency of international concern', which can easily be done with fraudulent diagnostics. Dr. Behrendt reveals how there was no covid pandemic until a flawed PCR test was introduced that suddenly increased the so-called 'cases' 14-fold.

**These WHO whistleblowers also expose how this totalitarian**

**worldwide health system is entirely controlled by private corporations and private individuals, who use their vast financial resources to impose their own plans on the whole of humanity.**

For example, in 2012, at the World Health Assembly, Bill Gates was declared as the leader of the global vaccine action plan 2012-2020, although he has no medical qualifications whatsoever, and according to his own words, is only into vaccines because of the astronomical financial gains. Gates also became the main financier of the WHO, effectively controlling it, which means the entire world is ruled by Bill Gates. Of course, Gates is in turn submitted to other, higher up financial entities, who use him to submit the world to their tyranny.
