allied subjects.

### **Cross-References. Establishments primarily engaged in--**

- Conducting research and experimental development in nanotechnology--are classified in U.S. Industry [541713](#), Research and Development in Nanotechnology;
- Conducting research and experimental development in biotechnology (except nanobiotechnology)--are classified in U.S. Industry [541714](#), Research and Development in Biotechnology (except Nanobiotechnology);
- Providing physical, chemical, or other analytical testing services (except medical or veterinary), such as acoustics or vibration testing, calibration testing, electrical and electronic testing, geotechnical testing, mechanical testing, nondestructive testing, or thermal testing--are classified in Industry [541380](#), Testing Laboratories;
- Providing veterinary testing services--are classified in Industry [541940](#), Veterinary Services; and
- Providing medical laboratory testing for humans--are classified in U.S. Industry [621511](#), Medical Laboratories.

541712	541712	541715	Aerospace research and development (except prototype production)
541712	541712	541715	Agriculture research and development laboratories or services (except biotechnology and nanotechnology research and development)
541712	541712	541715	Bacteriological research and development laboratories or services (except biotechnology and nanotechnology research and development)
541712	541712	541715	Biology research and development laboratories or services (except biotechnology and nanotechnology research and development)
541712	541712	541715	Botany research and development laboratories or services (except biotechnology and nanotechnology research and development)
			Chemical research and development laboratories or

541712	541712	541715	services (except biotechnology and nanotechnology research and development)
541712	541712	541715	Computer and related hardware research and development laboratories or services (except nanotechnology research and development)
541712	541712	541715	Dental research and development laboratories or services
541712	541712	541715	Electronic research and development laboratories or services (except nanotechnology research and development)
541712	541712	541715	Engineering research and development laboratories or services (except nanotechnology research and development)
541712	541712	541715	Entomological research and development laboratories or services (except biotechnology and nanotechnology research and development)
541712	541712	541715	Environmental research and development laboratories or services (except biotechnology and nanotechnology research and development)
541712	541712	541715	Experimental farms
541712	541712	541715	Fisheries research and development laboratories or services
541712	541712	541715	Food research and development laboratories or services (except biotechnology and nanotechnology research and development)
541712	541712	541715	Forestry research and development laboratories or services
541712	541712	541715	Genetics research and development laboratories or services (except biotechnology and nanotechnology research and development)
541712	541712	541715	Geological research and development laboratories or services (except nanotechnology research and development)
541712	541712	541715	Guided missile and space vehicle engine research and development

541712	541712	541715	Guided missile and space vehicle parts (except engines) research and development
541712	541712	541715	Health research and development laboratories or services (except biotechnology and nanotechnology research and development)
541712	541712	541715	Industrial research and development laboratories or services (except biotechnology and nanotechnology research and development)
541712	541712	541715	Life sciences research and development laboratories or services (except biotechnology and nanotechnology research and development)
541712	541712	541715	Mathematics research and development laboratories or services
541712	541712	541715	Medical research and development laboratories or services (except biotechnology and nanotechnology research and development)
541712	541712	541715	Observatories, research institutions
541712	541712	541715	Oceanographic research and development laboratories or services
541712	541712	541715	Photonics research and development services (except nanotechnology research and development)
541712	541712	541715	Physical science research and development laboratories or services (except biotechnology and nanotechnology research and development)
541712	541712	541715	Physics research and development laboratories or services (except nanotechnology research and development)
541712	541712	541715	Veterinary research and development laboratories or services (except biotechnology and nanotechnology research and development)
