Dear Nicole L. Crispo, Records Access Officer:

I am writing again to ask for the FOIA-query information noted below as requested and sent in on March 17, 2025. I did not receive an email acknowledgment and wondered if my email had gone through, re-sending, for your convenience. Please feel free to contact me should you have questions. If there is some problem with the form of this request, kindly let me know. I am a Massachusetts state national and American State National standing on the Land and Soil with the American peace flag, living privately, and therefore cannot use the form on the City of Quincy government services corporation website as it stands portrayed with the US war flag on every page, I trust you understand: America, Land and Soil, is not at war, and nor am I. Further information on my status and standing is provided below, and also available at my website at a few pages, including at the page titled Notice of Privacy Status.

Thanks very much,
