Hi:

Can you please send me all Medical Records (PDF and mail) associated with the name "Ramola Dharmaraj" or the name "RAMOLA DHARMARA" or any form or misspelling thereof in relation to the Ambulance run made from South Shore Hospital Weymouth to Bournewood Hospital, Brookline, Massachusetts in Boston on the night of December 20, 2022, perhaps a little past and therefore early morning, December 21, 2022, all Ambulance Notes made, any other accompanying PHI information provided by South Shore Hospital or South Shore Health Systems or South Shore Mental Health or Aspire Health Alliance at the time or later associated with this name? I am the sole authorized agent for the name "Ramola Dharmaraj" and all forms of this name as well, which has been expatriated to the Land and Soil Jurisdiction of the United States of America and reclaimed by myself; no-one but myself can acquire or be provided with these so-called medical records and all affiliated information from your company--which has been named on my health insurance records at United Health. I will send an email with a PDF as well to your company with this request. Thanks very much.
